# BYOD in an Elementary School: How it Works for Bristow Elementary!

Mobile Device Policy

“Preparing today for tomorrow’s world.”

Amy Buss, School Media Librarian/STC

Bristow Elementary

Warren County Public Schools

# Bristow Elementary

- ◆ Demographics
  - ◆ Title I School, PreK-6
  - ◆ Enrollment: ~700
  - ◆ 70% Free/Reduced Lunch
  - ◆ ELL: 10%

# Why is it important?

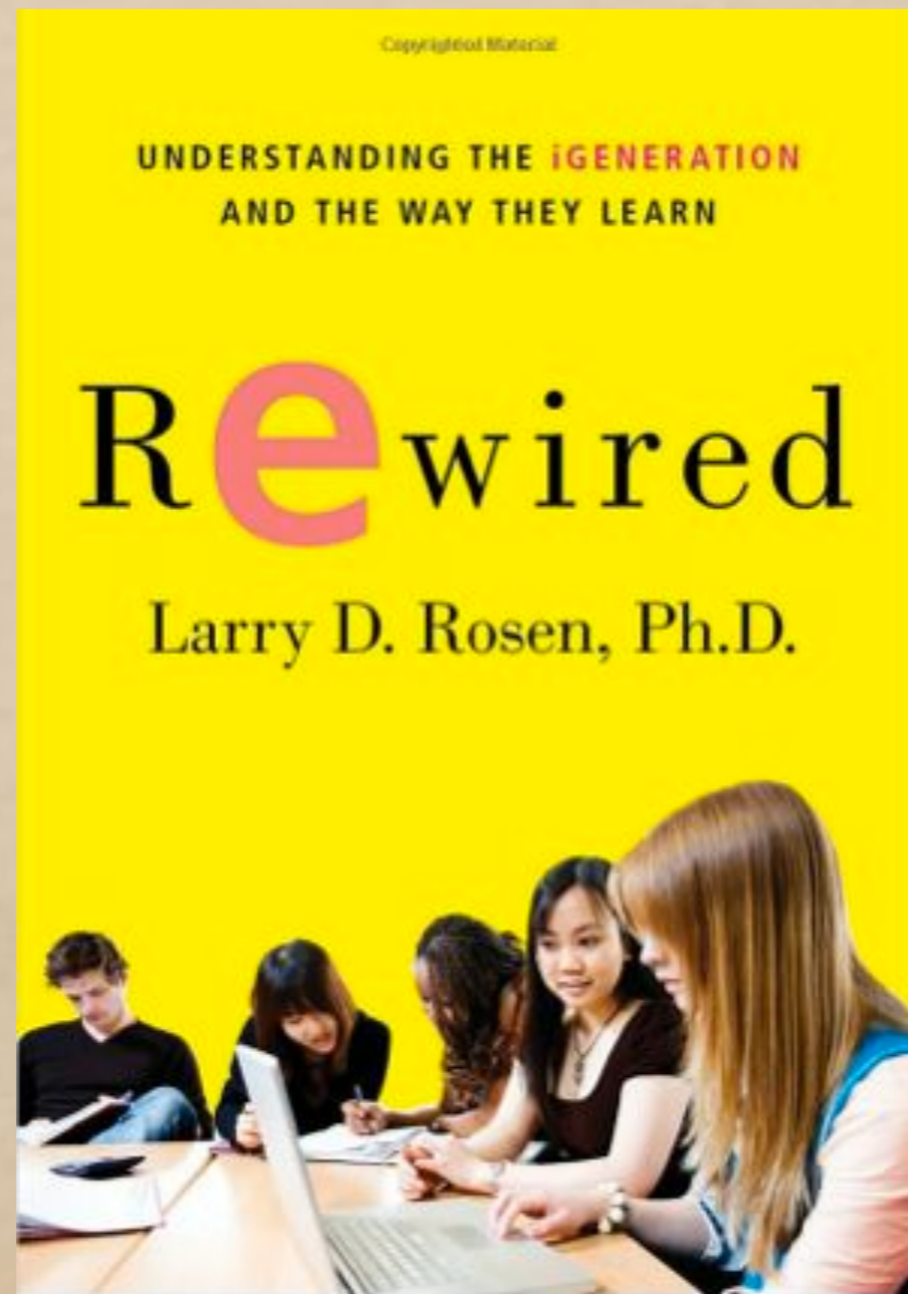

- ◆ Our goal is to prepare our students for college and career!
  - ◆ What jobs of today require technology use?
  - ◆ What jobs of tomorrow require technology use?

# Why is it important?

- ◆ Student engagement: Use of technology increases student engagement! When students are engaged, they learn!

# Suggested Reading

- ◆ Despite the revolutions wrought by technology in medicine, engineering, communication, and many other fields, the classrooms, textbooks, and lectures of today are little different than those of our parents. Yet today's students use computers, mobile telephones, and other portable technical devices regularly for almost every form of communications except learning.

- ◆ National Science Foundation Task Force on Cyberlearning

# Timeline

- ◆ Early 2012: Meeting was held with the goal to be 1:1 in 4th-6th grades.
- ◆ Jan. 2012: Decision was made to purchase teacher iPads for applicants.
